WEST IN BID FOR \$747M GRANTS

The western suburbs' submission for Federal Government aid includes detailed costs totalling \$747,938,000.

The figures are initial estimates only and do not include all costs, such as the cost of welfare services and the electrification of railways.

The submission includes Altona Council's request for about \$32 million.

Canberra trip

Representatives of the interim committee set up to prepare the submission visited Canberra last week and conferred with officers of the staff of the Minister for Urban and Regional Development, Mr. Uren.

The secretary of the interim committee, Mr. W. H. Williams, said yesterday, "There was an exchange of views. Our representatives advanced reasons why the people of Melbourne's western areas should receive Commonwealth aid."

"I would say that the officers with whom we conferred agreed that there was certainly a case for aid for Melbourne's western areas."

"We accepted the fact that this case for help needed to be substantiated in detail beyond all doubt and the method of implementing aid needed to be decided."

Call for study

The four to visit Canberra were, Werribee Shire President, and interim committee chairman Cr. Don Myers; the Mayor of Keilor, Cr. Bryan Bailey; the private secretary to Dr. Jim Cairns, Mr. Phillip Cairns; and Mr. Williams.

The delegation reported back to a meeting of their committee at Sunshine.

At this meeting, it was decided to ask the Federal Government to immediately commission an independent and professional feasibility study of the needs of the western region.

Mr. Williams said, "We have no doubt that this would substantiate our claims for aid and show, in detail, precisely what needs to be done and how action should be taken."

The submission to be

made to Canberra will include as estimated costs: local councils' proposals \$311,490,000; water, sewerage and main drainage \$337,248,000; education \$59,200,000; health \$40 million.

500 square miles

The interim committee comprises the mayors and shire presidents of Altona, Essendon, Footscray, Keilor, Melton, Sunshine, Werribee and Williams-town.

These councils represent an area of more than 500 square miles and a population of 330,000.

The committee has proposed setting up a

Western Region Development Commission, comprising representatives of all local councils and other authorities and organisations concerned, including the Commonwealth.

Mr. Williams said: "So far, approaches have not been made to involve the State Government, although representatives have had informal talks, mainly about the cost of public works with State Government instrumentalities."

"But it is now felt that the time has arrived to involve all authorities and organisations concerned, including the State Government."

"I expect talks between the interim committee and all these bodies will be requested soon."

MORE ROOM AT KINDERGARTEN

Altona Council has increased by 50 its kindergarten enrolment this year. The increase will almost halve the waiting list on the city's eight pre-school centres.

The Town Clerk, Mr. Syd Fell, said the council had arranged for 35 places in the Brooklyn kindergarten, which is in Sunshine City. He said 15 vacancies

still existed at the Brooklyn centre.

The council has also received approval to appoint Mrs. E. A. Edmunds part-time directress of additional kindergarten sessions to be held at the

Lindwood Avenue Kindergarten on Wednesday and Friday afternoons.

Mrs. Edmunds, the only applicant for the position, was previously a director of the St. Albans West Pre-School Centre.

It is expected the additional sessions at Lindwood Avenue will begin on Wednesday, February 28.

Mr. Fell said enrolments would be taken from those who were already on the waiting list for vacancies at the Somers Parade or Lindwood Avenue kindergartens.

The additional provision by council meant that council provided free accommodation for 460 children in the city, he added.

Listening's easy

Theo Dellemign, 24, is the proprietor of a music shop with a difference.

He doesn't mind teenagers sitting around the shop, fondling instruments and listening to records. In short, he gives music lovers an opportunity to "taste and try" before they buy.

The shop is Spinifex Music Centre, Ferguson Street, Williamstown. Any instrument or record not on display can be delivered on request.

Theo. also offers expert tuition on guitar and drums.

Apart from his own knowledge of guitar and drums there are two other tutors.

The shop is named after a group. Theo. is a former member of award-winning C and W group, Spinifex. For the past two months he has been playing with Norm Page, 25, from Deer Park.

The duo does a floor-show combining top 40, Latin-American, comedy and "you name it".

If successful, Theo. and Norm could be headed for Japan — that is if London Management Agency consider them worthy.

Apart from being an accomplished guitarist and drummer, Theo. is also a vocalist.

Anyone requiring tuition, a record, an instrument or just advice, is invited to phone 397 7897.

Is this a rare Bible?

A North Altona man has a Bible he believes dates to 1525.

The Bible, which bears the name Prince James on the foreleaf, has belonged to Mr. Lindsay Jenkins' family for over 200 years.

It records the first marriage performed at Geelong in 1854, of Letitia Pasley of Ireland and John Jenkins, a Van Dieman's Land (Tasmania) convict who came to Victoria to be married.

The leather-bound Bible is in excellent condition but there has been doubt cast on its age by the authorities at the State Library.

Library officials said they would be interested to see the Bible, which if it is a 1525 edition would be almost priceless.

There is only one known original 1525 Bible, the precedent to the King James Bible first printed in 1611.

It is in the British Museum.

When Mr. Jenkins showed the Bible to the Star he said he had had it in to the State Museum where officials had declined to tell him of its approximate worth.

There is one page missing in the Bible — presumably the page which in modern times would have borne the date or year of publication.

St. Eansythe's Church of England, Altona, was the setting for the marriage of Jean McQuarrie and Andrew Graham Osborne at 4.30 p.m. on January 19. The bride is the only daughter of Mr. and Mrs. J. McQuarrie, of Pollard Court, Altona, and the groom the only son of Mr. and Mrs. R. Osborne, of Chiflet Avenue, Altona. The Rev. J. Lawley officiated at the ceremony. Photograph by Barry M. Sutton.

Official

It's now official. The Office of the Place Names Committee has advised Altona Council that, by notice in the Government Gazette on January 10, the committee has assigned the name Paisley High School, to the new high school in Blenheim Road, Altona North.

Last year, Altona Council wrote to the Minister for Lands, the Minister for Education and the Place Names Committee in a bid to have the name of the school changed to Altona North High School.

The school opened last year.

LEAVE

Cr. Ian Stewart was unable to attend the first general business meeting of Altona Council on Tuesday night. He is on leave.

APPROVED

The Commission of Public Health has advised Altona Council of its approval of the appointment of Mr. J. A. Russell to the position of senior health inspector with the municipality.

Val's Column

Hello Girls,

Settling the children into school? Have you everything for the young ones? We can help you with toilet bag, facewashers, soap and container, tissues etc., — lots of little things.

So pleased girls, to be able to show you the full range of Schwarzkopf hair products. Schwarzkopf has been a popular hairdresser — only line up till now. I've known their products over the years, and here they are with me again. Schwarzkopf believe in hair needing to be healthy to complement a cut, a colour, or a perm. And right now this Australian summer has us battling against odds to "keep our hair on" so to speak.

Someone in your family is fighting either dullness, split ends, lack of body or bounce needed for that flowing hair style.

Just look for the expensive-looking white and tortoiseshell lidded pack — come closer. Look for the magic word — "Corimist Range" — and be prepared for the price: Unbelievable!

End that despair.

Corimist Range is not just one single product — but a co-ordinated range. You would go buy face moisturiser for dry skin, use a cleanser for oily skin and a medicated toning lotion? No! You use one brand in one whole series that best suits your skin demands. The same with your hair.

Corimist is a protein product — a feeding process replacing what today takes out. Lipo — Protein filters into stretched, porous open ends, filters through and repairs.

Corimist Shampoo, a high lather, non detergent shampoo. Corimist conditioning Creme Rinse — absorbing Lipo Protein here again filtering into your wet hair. Corimist conditioning Hair Set — giving extra strength, body and bounce.

Corimist Hair Spray — Still a protein product — not a harsh overpowering spray. And Corimist Hair Shine — not a holding spray — but a tonic spray on its own or over your other spray. Corimist corrects and ends despair of dry hair.

Next week we will find how those broken nails can be curbed. You'll have a bit more time to yourself again — so we'll start pampering.

Bye.

MAYORAL MESSAGE

We're not that deprived

It is good to see councils combining for further improvements in the western suburbs.

I do not altogether agree with the term, "deprived west." Altona citizens are well aware of the considerable progress Altona council has achieved since severance from Werribee.

Today we have in Altona more facilities than some of the eastern suburbs. What we have been achieved as a result of our own efforts.

We are entitled to expect a better deal from both Federal and State Governments, and Altona council will be there with its hand out if the needs of the western suburbs are to be recognised.

As one of the two beach suburbs of the west considerable financial assistance is essential to improve and develop the beach and its environs, and provide bathing facilities for the 350,000 citizens of the western suburbs who frequent our beaches.

On sewerage, yes! We have been getting properties sewered at the rate of one a day for the past three years, but considering our proximity to Melbourne GPO (8½ miles) and the length of time some ratepayers have been patiently waiting for sewerage this is not good enough.

We have asked for \$8 million to complete Altona sewerage. I consider this most urgent.

Rain at last! But not enough. Nevertheless, it has saved much hand watering, and raised the level of Cherry Lake slightly.

While the rain lasted it was pleasing to see people out diverting water on to nature-strip trees. It is community spirit like this that makes me proud to live in Altona.

Local baseballers in Australian side

Two boys who represented Victoria in the Under 13 and Under 17 State sides have been selected for the Australian side in their respective divisions.

They are David Mildenhall of Altona (below), who plays third base

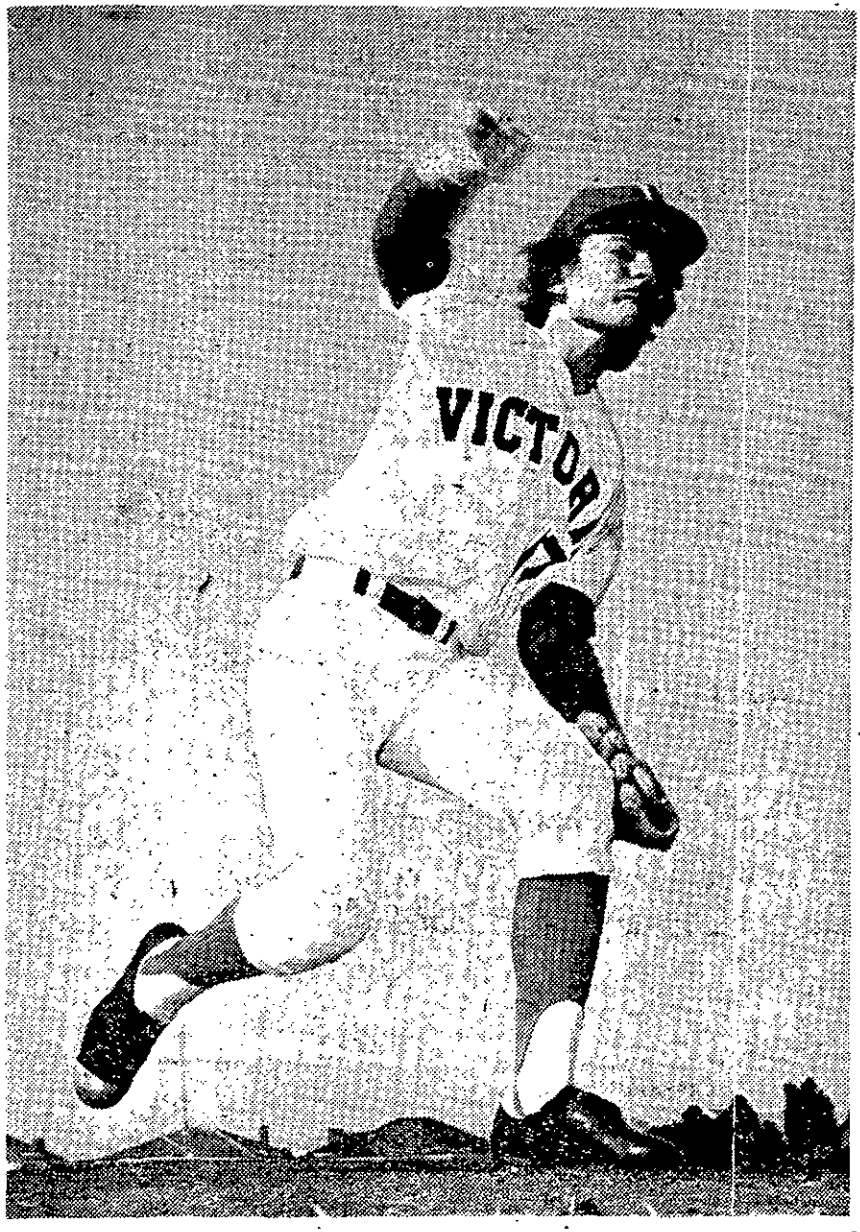

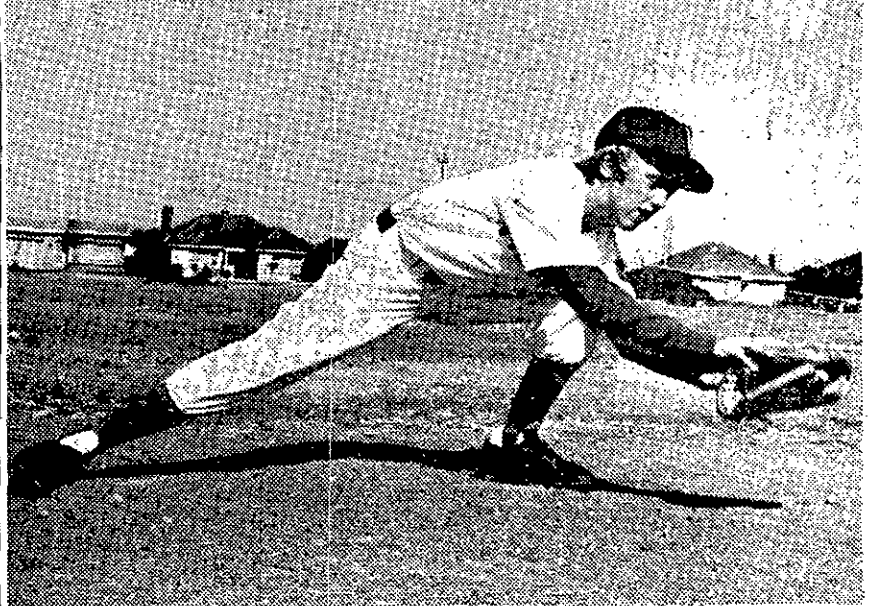

for the Under 13's, and Geoff Lynch of North Altona (right), a pitcher with the Under 17's.

The boys are members of the Newport Baseball Club, the oldest established club in Victoria.

The club has 140 members, representing areas such as Laverton, Spotswood, Kingsville and Altona.

David, who is captain of his cricket team at school, has only played baseball for one season.

A presentation will be held for the boys at the annual meeting on February 11.

Thanks: bikies

Altona Council has received a letter of thanks from members of the Altona Junior Motor Cycle Club, for the assistance and advice given by council and its officers towards the formation of the club.

A PICNIC

Employees of Williamstown Council will be attending the annual picnic of the Federated Municipal and Shire Council Employees' Union at Mornington on Monday, February 26.

Play centres are praised

Altona North resident, Mr. A. Walsh, is full of praise for the holiday play centres conducted in Altona each summer by Altona Council and the National Fitness Council.

Mr. Walsh of Blackshaws Road is a father of two. He wrote to Altona Council recently thanking the council and the National Fitness Council for its sponsorship of the centres at the Altona and Altona North Youth Centres.

He said: "It certainly proved good for our two children, who, living on a main road and being home 365 days a year, really thrived on being able to go and enjoy company of their own age and good outings for three weeks."

The holiday play centres were conducted in January. Co-ordinator of the two centres in Altona was Altona Council employee, Mr. Alan Lee.

a message for all

The Proclaimers — 50 young people enjoying themselves in song and message — will appear at Williamstown Town Hall, Ferguson Street, on Saturday, March 31, at 8 p.m.

Proceeds will benefit the Spastic Children's Society of Victoria — tickets (\$1.50, \$2, \$2.50) are available from Chis-Lon, Bell Street, Seddon (68 4020).

The supporting act will be popular folksinger, Franciscus Henry.

The Proclaimers originated in 1966 — and it is not by accident that they sing only gospel songs.

Entertaining?

Yes!

But there is also a message.

The Proclaimers signed with Ron

Tudor's Fable label in 1970 and have released two popular LPs.

The Proclaimers have had a varied, successful career to date, singing for teenagers, middle-aged and "oldies."

The age is irrelevant because the music is there and the message reaches everyone.

Does he dog paddle?

Does he or doesn't he?

GOODNIGHT Mrs. PUFFIN

A comedy by Arthur Lovegrove, Goodnight Mrs. Puffin will be the first production of the year for Williamstown Little Theatre.

"Good-night" will run from Wednesday, February 28, until Saturday, March 10, plus a two night extension of the Tuesday and Wednesday, March 13 and 14, of the following week. Tickets are on sale and

can be obtained from Alec Colville, 397 7812.

The title role will be played by Ela Bamery and the play will be directed by Loris Blake.

The supporting cast consists of Helen Jackson, Mary Little, Lyn Ashlin, Val Wilson, Mick Serpell, Stephen Moore, Gary Cameron, Doug Lindsay and Damien Dungan.

The stage manager will be Laurie Gellon.

Councillors could have been excused for getting a little confused and amused when Cr. N. Mashford announced his dog could swim better than he could.

He was commenting on the swimming hazards in the area near the rock mole at Williamstown beach.

Council was told by Cr. P. T. Lalor that he had swum in the area and he thought the matter was the Board or Works responsibility.

Concern had been expressed at the large increase in the numbers of people requiring assistance in the mole area although there had been very little change in depths in the area near the end of the mole in the preceding years.

The board has recently provided 900 cubic yards of sand for the eastern part of the beach.

RETURNED

Two brass plaques, unveiled by Dame Mabel Brookes 12 months ago to commemorate Williamstown's first burial ground have been returned after disappearing three months ago.

The Williamstown Conservation and Planning Society wishes to thank the City Historian, Mr. W. Evans, who was instrumental in the return of the plaques.

POP STAR with the Hassler

Aussie bands get back together

Reformations are taking place everywhere you look on the Australian pop scene lately.

It seems that promoters and bands have got their heads together and said: "Let's give this ailing scene a shot in the arm" (the Drug Squad will never forgive me for that sentence).

Amongst the bigger name groups which have banded together again are Chain, Healing Force, Lotus. Sydney group Lotus has retained its complete line-up, which should be a knockout.

Chain is Mighty Mouse minus Warren Morgan (who has joined Billy Thorpe and the Aztecs on piano) and Healing Force has been reformed with Charlie Tamahai.

At the same time, Adrian Anderson of the Entertainment Exchange, is quite excited about his group, Saylah which includes two former members of Sunshine, the group which started Adrian on the road to success.

Sydney group, Sherbet unstaged Country Radio at Garrison last Saturday night, I felt.

Sherbet are a very commercial-sounding band but their tight, well rehearsed act reflects the amount of practice they put in during the week.

With original material this group could be the one to put us on the pop map overseas.

Talking about overseas trips it's now old hat that Thorpie fished overseas.

Nevertheless, Billy was a good ambassador for the Australian pop scene during his short stay in England. He visited a number of record companies and agencies to sell them original material.

At the moment Billy is getting it all back together with Warren Morgan on piano. Thorpie's band will tour Australia with Lobby Lloyd's Colored Balls shortly.

Word is that some fans have been paying as much as \$50 each for front-row tickets at the Rolling

Stones concerts in Melbourne.

Local muso, Neil "Caveman" Thomas, hasn't quite got his new band together yet, but he's getting there slowly but surely.

Who said suburban dances were on the way out?

Dance at Coburg last week sponsored by 3XY and AEE dragged in 2500 boppers.

Radio 3XY will be conducting similar happenings out this way soon. Watch this page for news.

'Bye for now.

SPASTIC AID GROUP MEETS

Save Cox's Gardens — reader

Mr. James Farrell, of Grandview Grove, East Prahran, has written to the Williamstown Advertiser in the hope that something can be done to save what he describes as Melbourne's most picturesque suburban street.

SIR.—Cox's Gardens, Williamstown, must surely be Melbourne's most picturesque suburban street.

Only 150 yards long, it stretches back almost 150 years in history with its quaint little cottages nestling in the shadow of the spire of the local Congregational church; a piece of architectural elegance rising above a tracery of trees at the street's end, and framing a scene such as thousands of Australians go overseas in search of each year; armed with color cameras.

On first discovering this lovely little cul-de-sac I was enchanted; not so the Williamstown Council apparently, for there are demolition orders on most of the homes including No. 3, classified by the National Trust B—worthy of preservation.

If this street be restored instead of razed; tourism would benefit considerably, for when the West Gate Bridge is opened Williamstown will be the ideal spot to view Melbourne across Hobson's Bay.

Were such a viewing to include a visit to a restored Cox's Gardens and the Congregational Church nearby with its potential for a tea house in the now derelict church hall, funds to restore and maintain this lovely old building would be assured, thus making the whole area a show place.

Sadly, I feel the sentimental citizen with a love of old places in secluded areas is no match for big business today with their ever-increasing

demands on councils for permits to make hideous the landscape with high-rise flats, monstrous car parks and formidable freeways.

Williamstown — do something wonderful: Save Cox's Gardens.

Archbishop

The most Reverend E. K. Nsuboga, Archbishop of Kampala - Mengo, Uganda, is to stay at St. Mary's Catholic Church, Williamstown, while in Melbourne to attend the 40th International Eucharistic Congress.

The mayor and mayoress of Williamstown plus the councillors and their wives have been invited to an Ecumenical Service at St. Mary's to be held on Wednesday, February 21, at 7.30 p.m.

The service will be followed by a social evening in the Williamstown town hall.

The speaker at the meeting is from the Council of Christian Education in Schools. Mr. B. G. Dunn will conduct the 11 a.m. service and Rev. L. J. Slee will lead the 7 p.m. service.

The Rev. P. B. Robson and Mr. A. Tan will conduct the 11 a.m. and 7 pm services, respectively, at Altona, while Rev. L. J. Slee will be at Spotswood at 10.45 a.m. and Rev. Robson at 7 p.m.

The service at Laverton will be held at the Church of England at 9.30 a.m.

Second edition transport map

A pocket-size map produced by the Ministry of Transport 18 months ago to help visitors and Melburnians move about freely by public transport is now available in its second edition.

A spokesman for the Victorian Tourism Ministry said the publication is new, up to date and it covers the services provided by trams, bus transport, and railways.

With the routes clearly delineated in various colors, the traveller may

orient himself at point A, locate point B and trace quickly and effortlessly the best and quickest way for getting from one point to the other.

One feature of the new map is the listing of free car parks at suburban railway stations.

There are more than 12,000 spaces available at suburban stations. The map also gives a clear idea of the extensive public transport services operating throughout the metropolitan area, forming a pattern extending from Laverton, Bulla and Somerton in the west, Hurstbridge, Lilydale and Belgrave in the east, and Berwick, Cranbourne, Hastings and Balcombe in the south.

The map is available for 15 cents from Victour.

TOM 'STEALS' THE SHOW

Newport Cricket Club's Tom Russell stole the show against Richmond-Union last weekend.

CHALET SEMINAR

Singles Travel Club will stage a convention-seminar at Warburton Chalet from Friday, March 16-Sunday, March 18.

The convention will deal with economic, social, emotional and general hangups associated with being single.

Tennis matches and an arranged tour of surrounding areas will provide an outlet from serious discussion.

Another first to Brock

Bathurst winner, Peter Brock's Holden Dealer Team Torana ran away with the first round of the four-race South Pacific touring car championship series at Surfers' Paradise on February 4.

He led the second placed Ford Falcon GTHO of Murray Carter home by one min. 8.2 sec. He also broke Allan Moffat's outright production car record by two-tenths of a second, making it one min. 24.5 sec.

Team mate and 1969 Bathurst winner, Colin Bond, had no luck. He punctured early in the 30 lap 60 mile race, went back again and then had the fan belt thrown off. He finished tenth.

The next round is at Warwick Farm, Sydney, on Sunday, February 11, then Sandown Park on February 18.

Tom bowled magnificently to capture seven wickets for only 26 runs.

Richmond-Union were all out for 78.

Newport declared at 5/83. Roland Nicholson 33 and John Mason 35, were the main scorers. Richmond-Union were 1/10 at stumps.

2ND XI

Richmond-Union, batting first, were all out for 107. John Thompson proved to be the danger man, taking 6/45. In reply, Newport were 2/126 at the end of day.

Bobby Colvin led the way with a grand 75 not out, ably supported by Billy Stevenson 38 not out.

CLUB XI

St. Paul's batted first and totalled 83, with Archie Lloyd 4/4 and Tom Barrassi 3/39 bowling extremely well.

At stumps, Newport were 5/85. Gary Metcalf 28 and Jerry Walsh 23 led the way.

New J.P.'s

Two Altona residents, Mr. A. G. Culbard, of Valerian Avenue, Altona North, and Mr. R. Stringer, of 24 Purnell Street, Altona West, have been appointed Honorary Justices of the Peace. Mr. Stringer is president of Altona District Hospital.

At the same time, town clerk Mr. Syd Fell received advice of his appointment as a Commissioner for the Taking of Affidavits in the Supreme Court.

Victoria looks losers

Victoria appears to be headed for its first defeat at Brooklyn at the hands of a powerful NSW production car team.

With many of the Brooklyn cars now a twisted wreckage after last week's meeting and the absence of a number of competitors due to last week's toll. It will be a minor miracle if the locals pull the Test out of the fire.

The Test will be followed by one of the greatest melées when members of both Test teams, their reserves and a large line-up of cars will battle out three heats and a 25 lap final for the rich Brooklyn Federation Cup.

ODE TO THE TRAFFIC SCENES. The solace of my soul I seek on this one day of life-times peak.

At my feet my partner lies, In final sleep and life's demise. My friends, a witness to the scene, Quite understand the thoughts I mean, Silently they stand and stare, at the last of a happiness in which We've shared. In the Aeon's of time it took to create, a beautiful creature, once my mate, What fools are we, who fail to see, That life is given to us Free. A dream no more, a fact at last, as memories recall the past. Too late, to learn the value of a mate, Thank heavens at last my conscience rests. That I bought some kind of happiness, So now I'll gaze on brighter sky, to complete my purpose much more wise. Fate may take and fate may give, a mate to you with which to live, To those I say that's been so kind, and proved your greatness to man kind. Bless you all my dear friends, My love for you never ends. CON YORK.

BETTER BALL THAN BAT

Williamstown cricketers did not maintain as high a standard of batting as they did bowling last weekend.

After dismissing Coburg for a lowly 107 (Horsburgh 7/46 and Joslin 3/34) the bats floundered and Willy were 7/40 at stumps.

Coburg skipper, Deany, won the toss and elected to bat on a perfect track, but Horsburgh and Bowyer were right on line and soon had their openers, Robinson and O'Keefe, worried.

Robinson was bowled for 18 and his partner was caught by Peter Bowyers. Huntington batted nicely to go on and make 21. However, he fell victim to the wily Joslin, being caught by the reliable Barry Hewet.

Bennett was bowled by big Geoff for only 10. Deany was the fourth victim of Horsburgh, being snapped up behind by Tom Ferris for the big "zero."

At tea the visitors were in trouble (8/81). The last two bats gave the Williamstown bowlers some trouble but they had them dismissed for 107.

At 4.21 p.m. the Williamstown innings started but it wasn't the Seagulls day. Kevin Tweedly was caught when only four, not long after Barry McConnell went for two.

GRIM BOARD

Bert Park went lbw for four and 3/12 wasn't a pretty sight on the board. Robin Dyson scored a four and the fans were looking forward to a bit of stable batting.

But such was not the case as Dyson was caught by Deany off the bowling of Christie for eight. Les Joslin joined fellow left-hander Ian, but after scoring a boundary he was caught and bowled by Christie. Barry Hewet joined Ian McLeod.

He was bowled; making him the 4th scalp for Christie.

Williamstown were now looking a sorry lot at 6/29. John Fowler joined Hewet but due to a misunderstanding Hewet was run out.

Peter Bowyer joined Fowler and at stumps the score was 7/40.

After the great efforts of last week this was bad. Still cricket is a funny game say the experts and

another 68 by the tail is not impossible. COBURG: 107. Bowling: Geoff Horsburgh, 21 overs, 4 mdn., 7/46. Les Joslin, 15 overs, 2 mdns., 3/34. Peter Bowyer, 7 overs, 0/17.

Coburg, 2nd XI, who are

second on the ladder, showed no mercy when they won the toss, batted and battered the Willy bowlers.

BOWLERS

Despite good bowling the were 3/175 in very fast time and from then on Williamstown did well and Coburg declared at 7/216.

The declaration was a good move as they had Williamstown 1/15 at stumps. Phil McTaggart was caught when six.

Bowling: Graeme Coulston, 11 overs, 1/41; Norm Shaw, 17 overs, 2 mdns., 2/61; Phil McTaggart, 4 overs, 0/16; Alan Harris, 4 overs, 0/21.

One wicket for 15

Skipper John Becroft said that the track was good and given a similar wicket this week there is no reason why Willy could not make a better score.

At Preston, the Thirds put up a great effort with the "willow", the brilliant left-hander Andrew Davies donating a slashing 85 not out. He and Gary Richardson adding 55 for the last wicket.

Nev. Speakman 18, Jeff "Doc" Salter 20, Peter Thatcher 23, George Shaw 26, all adding to make a handy 9/222 at the closure of the first day's play.

Bob Ducrow was pleased with the feat and an outright is a distinct possibility.

Firm stand by Altona

Altona Cricket Club stands firm - A and C hold top posse in their respective comps.

The Club XI must win to consolidate a place in the final four.

DETAILS A GRADE.

At home to Middle Park, Altona won the toss and decided to bat on a good wicket.

Brian Garde and Bruce Forrester opened the innings and appeared set to get away to a good start until Garde went out. David Hitchcock joined Forrester, who was showing a welcome return to form, and set to the bowling.

Hitchcock was next to go, followed shortly after by Oram and at tea Altona were 3 for 91 - with Forrester 50 n.o.

With the need to push the scoring rate along after

tea, wickets began to fall prior to stumps.

Altona were dismissed for a total of 161. Forrester reached 57 and Shaw 30.

B GRADE.

Away to South Port, Altona were sent in to bat on a very rough wicket and were immediately in trouble.

Losing six quick wickets with only 30 runs on the board, Michael Calaz saved the day for Altona by putting together a very good 34 n.o. before he ran out of partners with the total at 92. It appeared as though this total was going to prove adequate when Jack Deller and Ken Duff got the first six South Port wickets for only 17 runs.

The unexpected happened and South Port got going to such an extent that they were able to add a further 73 runs for the loss of only one more wicket and at stumps were 7 for 90.

C GRADE.

With both Altona and Windsor level on top position with 60 points, this game was to be a good test of Altona's strength with the finals only one game away.

Windsor won the toss and decided to bat on a good-looking wicket but quickly showed that looks can be misleading by performing in a most unpredictable manner.

Altona's bowlers, led by Alan Jobson, put in a solid performance and at one stage had Windsor 8 for 35.

However, a ninth wicket

partnership added 51 before Frank Kirk claimed the last two wickets.

Jobson returned the excellent figures of 5 for 21.

Altona got away to a good start with Denis Garde and Bill Bibby adding 42 before Garde was bowled for 30. Bibby was next to go for 17 when the score was 59.

Unfortunately he was followed quickly by Thomas, Kirk, Evans and Wilson and Altona had sacrificed the advantage.

At stumps, Altona were 6 for 77 still requiring 10 runs for 1st innings points.

CLUB XI.

Away to Digman, Altona batted first in a game which was a must if Altona were to stay in the finals fight.

Peter Mildenhall starred with the bat in compiling a very good 48 out of Altona's total of 131.

Digman, in their first innings, found the bowling of Neville Healey too good and at stumps were 9 for 60, with Healey taking 5 for 29. David Wilson had taken two of the remaining wickets.

Enrolment of new members will be held next week at the following times.

Experience wins over youth

Speed, skill, pressure and excitement—Altona Stars v Wolves match in last week's round of WSBA.

Vic Butler's experience steadied Wolves, who came from behind to grab a 15-point victory.

Altona Stars could not cope with Quicksilver Butler, they were anxious at critical stages and Wolves capitalised on Stars' nervous approach.

Scores: Wolves 49 (V. Butler 22, G. Brazil 9, J. McCabe 8, P. Otter 6, J. McGhie 4) d. Altona Stars 34 (J. Hoyland 15, P. Ozealis 6, J. Dean 6, D. Luibinas 3, A. Willet 2, S. Murphy 2).

Wembly, with R. Sans, R. Davies and I. Fleming

on target, along with the height and muscle of Peter Welsh had a crushing win over West Footscray YCW.

West held their own early but could not sustain the effort. Wembly ran out comfortable winners after gaining control of the game.

Scores: Wembly 70 (R. Davies 18, R. Rayner 18, I. Fleming 15, W. Menzies 9, P. Welsh 8, R. Smutney 2) d. West YCW 27 (W. Pascoe 6, P. Considine 6, W. Barlow 5, N. Hall 3, J. McLean 2).

FIT experimented with

a new defence against Containers and it proved successful. Several opportunities developed from quick thinking and excellent team-work.

The persistent Containers battled gamely but were continually frustrated by FIT's height advantage.

Scores: FIT 50 (K. Burbridge 23, A. Thompson 6, B. Bird 6, D. O'Brien 4, B. Abramczyk 4, C. Marshall 4, P. Zinnecker 3) d. Containers 31 (B. Page 12, A. Borycz 9, J. Slevison 6, R. Golps 4).

Once again, Mixtures figured in a close finishing game - this time against Sunshine.

They staged a hotly contested goal for goal affair with Mixtures eventually holding out to win by one good shot (two points).

Both sides were evenly matched for height and ability. It could have gone either way.

Scores: Mixtures 34 (F. Spry 6, P. Jukes 6, G. Hickey 6, G. Young 8, D. Spry 4, R. Watts 2, W. King 2) d. Sunshine 32 (G. Curley 13, D. Edwards 6, A. Bettitot 4, J. Thorogood 4, G. Wheatley 3, A. Tymms 2).

Top side FYC found the going tough to defeat lowly Parkville West.

Grand defensive efforts enabled PW to hold FYC in the first session but then FYC's proven superiority took over and they went on to win easily.

Scores: FYC 29 (M.

O'Brien 12, G. Lundberg 8, C. Hall 4, A. Emmett 2, L. Stark 2, D. Nelson 1) d. Parkville West 17 (J. Trevillion 6, C. Pettigrew 4, S. Griffiths 3, J. Berry 2, P. Clarke 2).

James Hardie and Spotswood CC had a bye.

Draw: February 20 - (6.45) Wembly v. FIT; (7.30) Altona Stars v. Mixtures; (8.15) Containers v. Sunshine; (9.00) Wolves v. James Hardie; (9.45) West Footscray YCW v. Spotswood. Parkville West and FYC have a bye.

Altona North head for top rung

Altona North Cricket Club, final four certainties, headed towards No. 2 position last weekend.

La Trobe University was forced to bowl all day. North's bats slogged their way to a creditable 185.

Top scorers were Tom Carroll 44, G. Spicer 25, I. Walker 29 n.o., K. Miller 23, S. Harris 18, R. Glazner 17.

SECONDS

The 2nd XI must win to secure a finals berth - things looked sweet when

La Trobe was dismissed for 131.

Best bowlers were R. Buchanan 3/38, Kevin Jackman 3/40 and P. Costello 2/29.

But then it happened. A batting collapse left North 6/38 at stumps. Don Porter is 10 n.o. and the remaining bats are expected to be able to fight back.

THIRDS

The 3rd XI grassed several catches but still

managed to dismiss Powerhouse for 92. Nick Doria 3/2, Vic Castelli 3/31 were chief wicket takers.

North was 3/71 at stumps. Frank Dunstan 15, G. Marks 25 n.o., and K. Parkhill 15 n.o. The thirds need this game to step into the four.

JUNIORS

North fielded all morning. Werribee totalled 8/191. Harry Hart tried hard and collected 4/66.

When B beats B in athletics

Williamstown Amateur Athletics Club's B grade outpointed Albion B grade, 71-33, last weekend.

Former Olympian Ted Allsopp started well by easily winning the 1500-metre walk in 7 minutes.

Brian Davidson was the star of the day, winning the long jump (23 ft. 7 in.), Javelin (127 ft. 10 in.) and 110-metre hurdles (16.2 sec.).

Terry Phelan won the 800-metre run in 1:55.8. Third and fourth places went to Fred Howe and Kevin Esmore.

The sub-junior team

convincingly beat their Albion opposition, 66-37.

John Van Denover led well by winning the hammer event with a throw of 104 ft. 9 in.

Later, he won the shot put with a put of 41 ft. 10 in.

First three places went to Williamstown in the 200-metre sprint. Robert O'Sullivan (23.7) was first, followed by Paul Jamieson (23.8) and John Sinnot (24.0).

Eero Keranen was the

star of the sub-junior team, winning the javelin (111 ft. 5 in.) and the long jump (19 ft. 7 in.), and was placed second in the 800 metres (2:8.6).

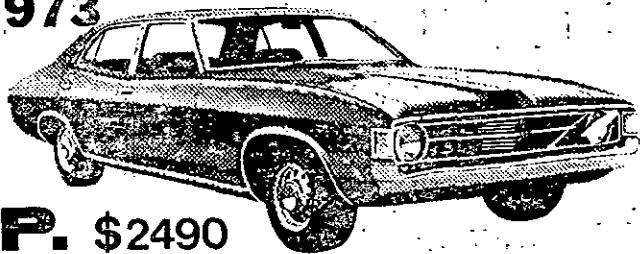

Team-mate Robert Caldwell won the 800 metres in 2:6.1.

The junior under-15, under-14 and under-13 (number 1) teams all won well and seem assured of placings in the finals with only two rounds of competition to go.
